

Responsible Drinking Information

SP Brewery's Alcohol Policy Statement:

- Responsible consumption of beer is consistent with the maintenance of a balanced and positive lifestyle for adults who choose to drink.
- SP Brewery is committed to raising awareness regarding responsible consumption.
- We demand responsible behaviour by all our employees.
- SP Brewery ensures its commercial activities meet legal requirements and does not encourage irresponsible consumption.
- We want to help prevent misuse through dialogue and action.
- Implementation of the SP Brewery Alcohol Policy is mandatory.
- We report on our actions related to our SP Brewery Alcohol Policy.

SP Brewery's Goals on Responsible Consumption:

- To promote public awareness and understanding on sensible drinking behaviour and safe alcohol consumption limits to SP Brewery employees at the general public.
- To act responsibly and work proactively with government authorities and interest groups to promote responsible and moderate drinking habits.
